Island Boy Meets Island Girl: Our Life on the Rock Apr 11 2022 Black & White Edition -- In the 1670s, a Dutch settler named Claudius van Beverhoudt arrived on St. Thomas, Danish West Indies. He married a woman named Elizabeth deWindt and made St. Thomas his home. Arnold van Beverhoudt, Jr. is a direct 8th generation descendant of Claudius and Elizabeth. His paternal grandparents, Ernest and Elisa, were living on St. Thomas in 1917 when the Danish West Indies became the U.S. Virgin Islands. They eventually moved to Venezuela, but Arnold's father remained on St. Thomas, where he became an auto repairman and raised his

family. This book presents - in words and photos - Arnold's memories of life growing up and eventually meeting his "Island Girl" Helena on the tiny Caribbean island that its residents affectionately call "the Rock." It's a story that's been over 340 years in the making.

When Butterflies Cry Oct 25 2020 When the dam explodes, only a little girl who was never really there at all can save them. Grayson Addington comes home to Saddler Hollow, West Virginia, from Vietnam a broken man, ravaged by post-traumatic stress disorder, a chaplain who left his faith in the jungle mud with his massacred unit. In his absence, his wife, Piper, turned to his brother Carter for support. Now, she must choose between them—and Carter will stop at nothing to have her. Into this family torn apart by jealousy, greed, and clan loyalties comes a mysterious little girl. Maggie, a battered child with amnesia, shows up on the Addington's front porch and instantly bonds to Sadie, Piper, and Grayson's cripplingly shy toddler. When Maggie runs away and takes Sadie with her, the warring brothers must team up to search for them. Then the real horror begins. Sadie is trapped in the rocks out of her father's reach beneath a dam about to explode. Grayson will have to stand there and watch her drown ... unless the child called Maggie is much more than she seems. From suspense author and former journalist Ninie Hammon comes this spellbinding story of ordinary people whose tangled lives are marked by the specter of an impending disaster, and haunted by the mystery of a magical child. If you enjoy rich, believable real-life characters, ever-tightening tension, and a breath-taking surprise ending--coupled with Hammon's trademark dusting of "the unexplainable", **When Butterflies Cry** will keep you turning pages far into the night.

Grey Skies, Green Waves Sep 23 2020 "So this is surfing in Britain, I told myself as I grumpily walked up a slope of wet rocks and wispy beach grass, trying to keep a foothold as rain and wind both tried their utmost to send me skidding back down to the freezing beach below." Jason the Slave Warrior Jul 22 2020 They branded Martha first, for no particular reason; she just happened to be the adolescent girl child closest and within easy reach of the smiling slave who was doing the branding. She was sobbing and crying, terrified and near panicking. Speaking softly in the singsong dialect of the Wolof tribe, the huge slave doing the branding tried to reassure her that the pain was mild and only temporary. He pointed to his own brand that stood out distinctly on his right shoulder. The brand was the Christian symbol of the cross where Jesus was crucified and murdered. Still smiling, he approached the girl holding the smoking red-and white-hot branding iron. Martha could see small heat waves and light smoke coming off the branding iron and disappearing in the light wind. The pain was horrendous; Martha passed out and her tiny body was eased down to the dirt floor by two slaves helping with the branding. There were four other brands of different designs smoldering in the white-hot flames and the brander would brand thirty slaves today. After years of slavery and hardship, Jason would tell her as they carefully planned their escape. "There is a place in Florida where the slavers are afraid to go."

Surf Shop Sisters Jul 14 2022 I guess everyone wants something in life. It was easy figuring out what each of my BFFs wanted the beginning of our Junior Year at Coral Cove High. For brainy Sudsy it was to get skinny; for upwardly mobile Tamara to get more stuff, and problem child Maria to be treated like she was older than ten. Who knew that bigger problems lurked in the swampy bayous of Coral Cove, like redheaded Paris Breck, threatening to take me down like a clump of stinky seaweed in the Gulf of Mexico.

That's Enough, Freddy From! May 12 2022 In this whimsical, understated and wide-ranging autobiography, author Frederick Rennie From recounts his own life while also providing a kind of eyewitness account of the fortunes of everyday Australians throughout the 20th century and into the new millennium. Born a sickly infant, From became a cane-cutter, then a soldier, and finally a farmer-forester. Along the way he led a life filled with drama: blood-curdling accidents, fearsome escapes from flood, fire and small-town law-breaking, and even managing to survive three separate theatres of combat during World War II and the Korean War. We are left with a sense of how Australian life in decades past was marked by endeavour, hard labour and hard times, yet was also rich in humanity, incident and fun. What is notable is that the author has managed to recount the saga of a long life without dwelling on pain, noticing boredom or inflicting calumny on anyone. Where others might have seen unkindness, criminal incompetence, even cruelty, he remembers only human foibles at worst and kindness at best. Above all this book demonstrates how the quintessentially Aussie traits of fortitude, humour, observation and assessment flow down the generations.
