The House of Berserkers may destroy us all...I have a beast inside of me. A monster that awakens at the best and the worst times. The beast allowed me to avenge my best friend's death, but it's also led to my downfall. And a betrayal so deep it cuts like a knife. Taken prisoner by the psychotic Lord of the House of the Berserkers, I must find a way to stay alive and to keep the men I love safe. Everything has changed between the mutant, the berserker, the dragon shifter, and I. But what hasn't changed? We're in another wicked place and our connection will either save us or destroy us. Only time will tell. UNKNOWN is a paranormal reverse harem romance. The first book involving these characters is called Untamed, and it takes place in the shared world, Wicked Reform School. I recommend reading that book before this one. This is a very steamy romance where the woman is the focus, and she doesn't have to choose between her men. Her dark past has come back to haunt her... Ana Drake has secrets that she'd rather forget and loving Poseidon, Hades and Dionysus has made it easy to do so... until now. When her relationship with the gods becomes the hot topic for gossip in town and Ana also receives unwanted affection from a man she detests, she realizes that she may be in danger. A murder rocks the small town of Saint's Grove and all evidence points to Ana as the main suspect. As her past encroaches on her future, she realizes that even being loved and cherished by three Greek gods may not be able to save her from the killer at large. Paranormal Romance, Reverse Harem Romance, Greek God Romance, Urban Fantasy Romance Just when Sophia thinks she's got a handle on things going on in the dragon town, her whole world is rocked, quite literally. While Sophia, Gale and Topaz 'get to know' each other more intimately, things at the school they're camping out at have taken a turn for the worse. A group of dragon rebels were supposed to arrive today, but they never did, making everyone worry that they might have been caught by the deserter fae soldiers roaming the area. As Sophia makes it back to the school, she finds out that the parents of Gaia, the little earth dragon orphan, went missing last full moon and it's another full moon tonight... Then more bad news reaches her, another two sets of parents have gone missing... Sophia and her men try everything in their power to find out why earth dragons are going missing, what's happening to them. Why can Gaia still sense her parents when they're not there? And what does a magically locked room at the local library have anything to do with it? This is the fourth novella in the Guarding Their Dragon Mate serial, a six

episodes long reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the other series. Both series can be read stand-alone, they are about different characters, but they are connected. Being a runaway princess isn't always as fun as people think... Stuck in the human realm when the world ended, Rhianna just keeps running...until the wolves at her heels catch up and she uncovers a plot to bring back civilisation in the worst possible way. All she has to do, is stop it before any more innocents end up dead. - Fall Of Hope is the first book in the Return Of The Fae Series, and is Rhianna's complete story. It is a paranormal apocalyptic book with a low heat reverse harem romance. It was previously titled Wolf Blessed. Only the title and cover have been updated. I hate losing and I appear to be on some streak. Dorian Gray's painting was never in the vault of the library. We currently have no idea where it is and the only person who can track it is probably being held hostage in a storage yard with all kinds of cursed objects. Balthazar's dick is still cursed and there's no easy way to remove it. I already made it worse once. I hope it doesn't fall off this time. I was totally against marrying Reyson when he woke up and announced I would be his new wife, but my resolve on that is starting to weaken. I'm starting to care for the damned god. The only people who know where Dorian's painting is at are Dorian and Bram's demon master. Even if we find Dorian, we can't kill him without his painting. I know better than anyone that when a witch really doesn't want you getting into their things, the results are usually fatal. I get we need the demon overlord, but if we are all risking our lives to get him out of that trap, he'd better grant Bram his freedom because I like having that Hellhound around. I'm starting to care for all these people that have crashed into my life and library, but I miss the normal days here of helping with curses, spells, and territory disputes. I'd like to disappear into our erotica section for a little while and pretend Dorian Gray isn't building a supernatural army. Sophia thought she'd be fighting the fae army, not her attraction to four handsome rebels. Orphaned at twelve, half-blood Sophia, part witch, part dragon, has grown from a member of the secretive dragon rebel army to the one in charge of rebuilding her home town after the war with the fae. Now she not only has to deal with new responsibilities but also with a team of four very handsome men who are supposed to help her, not distract her... One spoiled fire dragon who won't take orders from anyone. One broody air element witch carrying a lot of pain from his past. One soft-spoken werewolf with hidden strength. And one mysterious fae... Four very hot sources of trouble. The five have barely left for their mission when they run into the first obstacle as they're attacked by a group of renegade fae soldiers. Can they survive the attack? But more importantly, can they survive the mission with their lives and hearts intact? This collection includes all the novellas in the Guarding Their Dragon Mate serial (Cursed Dragon, Hunted Dragon, Fated Dragon, Captured Dragon, Reclaimed Dragon and Ferocious Dragon) a six episodes long paranormal reverse harem #WhyChoose story. These novellas may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the Lughnasadh Elite Academy and happens after the tenth novella of that series. Both series can be read stand-alone, they are about different characters, but they are connected. Six men, one woman, a curse threatening to tear them all apart. I've never really believed in the idea of soulmates, but if I had, I suppose I might've seen it through the pink lenses of the romance movies that I enjoy more than I would like to admit. But movies aren't reality, and my luck has only ever been of one type--rotten. It stands to reason that my supposed love story and whirlwind soulmate romance turns out to be anything but rosy. It takes one single wrong decision, one night of reluctant clubbing, for my life to turn to hell. Suddenly I'm surrounded by shape-shifting assassins, vampires who say they want to devour me, and immortal princes who claim they can't feel. For some reason, more than one of them seems to think that I'm their soulmate, and that because of that, they need to die. To protect me from some awful, ancient curse, apparently, as if I'd ever ask for my life to be kept safe at the cost of their own. It's up to me to change

their minds, because nobody else seems to have any sense whatsoever. Between having to wrangle suicidal soulmates, the mysterious voice that has suddenly popped up in my head and a strange power I hadn't even been aware I had, my hands are more than a little full. FML. Honestly, I really wish I'd stayed home and just watched a movie. How is this my life? Prophecy about being the 'chosen one'? That, too. Avery is more interested in keeping herself fed – and supplied with toilet paper – during the vampire apocalypse than she is in saving the world. But when three mysterious hotties show up and proclaim her to be the long lost descendent of a famous siren, Avery is thrust into the very adventure she didn't know she needed. She didn't want a quest. She didn't want an entourage of preternatural being – a vampire, a werewolf, and a faerie lord. And she certainly didn't want to fall in love. It's the end of the world...but what if the end of this one heralds the beginning of something new? USA Today bestselling authors Liza Street and Skye MacKinnon have combined their magical powers to bring you a gritty, steamy,

Dragon hoards are supposed to be a beacon of unity, but Sophia isn't so sure of that as her hoard seems out to kill each other... When Sophia and her men arrive at the dragon town, the night is young, as fate seems keen to point out. First, she kisses one of her guys, and almost gets him killed by one of the others. It won't be the last time someone attempts that... Second, she hopes to get them all on the same page as she reveals that all four men are part of her hoard, her fated mates. That went over well... Third, she finds a little dragon in the streets, hungry, tired, alone. An orphan. Just like her. Returning home brings back many memories for Sophia, good and bad ones. But it also means she has to confront other things from her past, like the people she left behind, old friendships, old pain. Can she keep her head cool as the leader of their rebuilding mission, while caring for a young orphaned dragon and regaining the trust of old friends? Sophia's family turns out to be even more... complicated, than she originally knew. When Sophia and her men finally make it into the magically locked room in the library, the room that has as far as they know been closed off for decades, they not only find out how long Sophia's father's side of the family has been in the area, but that they've secretly been doing research for the fae the whole time. The five's nosing around in the room triggered some alarm and Sophia's half-sister shows up to check out what's going on. Her half-sister, who Sophia had no idea existed and who has a fae mother... Things should have become easier now that Sophia and the others have found her family's research in the library and can use it to their advantage, but more than answers, it throws up questions for Sophia. Questions about her father, about who she really is, who the rest of her family are and what they've done to the people from the town where she grew up. Most of all, it throws up questions for her about what it means to be a half-dragon, now that the connection she felt with her witch side of the family has gotten so tainted. This is the fifth novella in the *Guarding Their Dragon Mate* serial, a six episodes long reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the *Lughnasadh Elite Academy* and happens after the events from the other series. Both series can be read stand-alone, they are about different characters, but they are connected. Sophia thought she'd be fighting the fae army, not her attraction to four handsome rebels. Orphaned at twelve, half-blood Sophia, part witch, part dragon, has grown from a member of the secretive dragon rebel army to the one in charge of rebuilding her home town after the war with the fae. Now she not only has to deal with new responsibilities but also with a team of four very handsome men who are supposed to help her, not distract her... One spoiled fire dragon who won't take orders from anyone. One broody air element witch carrying a lot of pain from his past. One soft-spoken werewolf with hidden strength. And one mysterious fae... Four very hot sources of trouble. The five have barely left for their mission when they run into the first obstacle as they're attacked by a group of renegade fae soldiers. Can they survive the attack? But more importantly, can they survive the mission with their lives and hearts intact? This collection includes the first three novellas in the *Guarding Their Dragon Mate* serial, *Cursed Dragon*, *Hunted Dragon* and *Fated Dragon*, a six episodes long reverse harem #WhyChoose story. These novellas may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the *Lughnasadh Elite Academy* and happens after the events from the other series. Both series can be read stand-alone, they are about different characters, but they are connected. I'm just a girl trying to survive. Dying? Unexpected. Coming back to life? Even more so. Now these four snarky demons are haunting me. Shirtless. It turns out you can die and live again. At least I can. When a night out goes murderously wrong, I chose leaping to my death over getting tortured. Except it turns out I don't die like everyone else. I'm a phoenix - or so they tell me. Apparently I need training at the Phoenix Academy. What I really need is to get rid of the four demons haunting me wherever I go, showing up when my heart is beating fast - whether I'm nervous, afraid, or well... other things. But I also wouldn't mind learning how to light things on fire with my mind or take out a man twice my size with my bare hands. All things the instructors at the academy want to teach me... if I can survive long enough. Because there's something deadly lurking in these halls, and it's coming for me next. Welcome to the first year at Phoenix Academy, a place where the paranormal lives - and dies - and lives again. This paranormal reverse harem contains mature themes, a few violent scenes, and no choosing. Reader discretion advised. Three bestselling reverse harem novels. Three strong women who don't

have to choose. Three exciting adventures to start. Bears. Angels. Wardens. Kelpies. The world is full of magical creatures and some of them are rather hot! Luckily, the heroines in these books don't need to choose between their men. They take them all. These three books are bursting with magic and mythology along with sexy men and sassy heroines. If you love stories full of action, humour and steam, get this box set today! (And yes, there are kilts in there, too! All three books are set in Scotland.) This box set contains: Winter Princess (Daughter of Winter #1) Rescued by Bears (Claiming Her Bears #1) From the Deeps (Seven Wardens #1; co-written with Laura Greenwood) Winter Princess One sassy Demigoddess. Four hot Guardians. A Realm to rule. As a demigoddess, Wyn has always stood out from the human crowd. And now, on her 22nd birthday, her magic finally surfaces with a bang. A big bang. She'll need the help of not one, but four (sexy) Guardians to control her destructive powers. If only they weren't so distracting... Her mother, the Winter Queen, waits for Wyn in the Realms of Gods, but there are enemies who will try and prevent her from ever reaching the Realms, even if that means going to war. Will Wyn be able to survive the journey? And if she does, can she resist falling for her Guardians? Actually, does she want to resist? A full-length reverse harem novel full of yummy protective men, a strong heroine, Celtic mythology, kilts, Scottish accents, very steamy scenes and nasty demons. Rescued by Bears Can she tame her bear shifters or will she be their dinner? Alone, frozen, and far from home, Isla finds herself in the care of four frustratingly sexy bear shifters. They soon end up on a Scottish island, trying to survive the disasters of a failing world. With new relationships unfolding, Isla has to make the decision between her humanity and the bears protecting her. Will winter drive them apart or can Isla claim her bears? Rescued by Bears is a full-length reverse harem novel featuring one sassy heroine and four sexy bear shifters (including a polar bear!). From the Deeps Who knows what ascends from the Deeps... Macey is really quite ordinary, if you ignore that she's a kelpie princess living on land. Still, her life is boring until she gets kidnapped by a man who doesn't quite know why he kidnapped her. Try and figure that one out. Thankfully, he and his two companions are prepared to help her find out why she can't return to Earth from their house in the Mists. Now the only problem is that Macey keeps getting distracted by the three mysterious and very sexy men... A reverse harem romance drenched in Scottish mythology. *** Search terms: bear shifter, reverse harem, paranormal romance, dystopian romance, post-apocalyptic romance, Scotland, Celtic, werebear, shifter romance, alpha male, reverse harem romance, RH romance, RH paranormal romance, reverse harem paranormal romance, myth, myths, action, adventure, female protagonist, novel, hero, romance, romance ebook, escape from abuse, love, mates, menage, paranormal romance with sex, new adult romance, fated love, clan, pack, series, fantasy, steamy romance, paranormal romance books for adults, shapeshifter, Gods, Beira, Loki, Thor, Greek mythology, kilt, angel, Guardian, kelpie, selkie, incubus, Nessie, Queen, Royalty, palace, magic, sorcery, war, battle, kidnapping, Laura Greenwood, Skye MacKinnon. "So, is this where you finally tell me who you are and why you're following me?" They didn't look at each other, but each of their faces was set in grim determination. "I am Pestilence," Rysten said. No... "I am Famine," Allistair followed. Devil save me. "I am Death," Julian continued in a cool tone. It should have clicked with me sooner. "My name is Laran, and I am War," the fourth and final one said. They didn't continue because they didn't need to. I knew who they were. Every demon in both worlds knew who they were. "You're the Four Horsemen," I whispered. ~ . ~ . ~ We've all heard the story of the Four Horsemen. Harbingers of the apocalypse. Destruction given form. Four of the sexiest—wait no—forget that. You get my point. So imagine my surprise when I find out everything I've ever been told, is a lie. But we're getting ahead of ourselves here. Let's start from the beginning. My name is Ruby Morningstar. I run a tattoo parlor in Portland with my bestfriend, have a pet raccoon, a crazy ex that stalks me, not to mention this one little thing... I'm a demon. Half-succubus, to be exact. For the last twenty-three years of my life, that's the story I believed, but on the day a handsome stranger bails me out of jail my world is turned upside down, and suddenly I don't know who I am anymore. Because the Four Horsemen aren't the bringers of the apocalypse. I am. Talk about never catching a break. *This is an adult reverse
